

DRY FLOODPROOFING ACKNOWLEDGEMENT COMMERCIAL/MIXED USE RESIDENTIAL

I acknowledge:

Initials My obligations as the property owner, for all flood paneling measures described by the manufacturers Operations and Maintenance Manual are crucial to ensure their effectiveness and longevity.

I acknowledge:

Initials Deployable temporary systems such as flood panels and opening covers will require regular inspection and maintenance to ensure they remain functional during floods.

I acknowledge

Initials It is essential that I follow the manufacturer's recommendations and develop a routine maintenance schedule to ensure the flood paneling system remains effective and functional over time.

I acknowledge:

Initials I have received and read the Comprehensive Flood Emergency Operations Plan including evacuation plans for all Personal and Occupants and understand its process and procedures.

I acknowledge:

Initials The structure being protected by flood panels will remain UNOCCUPIED after panels have been deployed

I acknowledge:

Initials The Comprehensive Flood Emergency Operations Plan must be permanently posted in at least two clearly visible locations in all flood paneled buildings.

I acknowledge

Initials That the installation of the flood panel does not negate the requirements for wind impact protection and may cause a reduction or denial of any wind and/or flood insurance claims.

I acknowledge

Initials That the installation of temporary flood panels is voluntary, take full responsibility for their implementation and effectiveness and hold Collier County harmless from any and all damage or bodily injury that may result from this installation.
