FOR IMMEDIATE RELEASE

Growth Management Community Development Department Launches Two New Remote Live Plumbing Video Inspections

Collier County, FL – Virtual Inspection Program Update Effective April 1, 2026, the Growth Management Community Development Department (GMCDD) will expand its virtual inspection services for licensed plumbing contractors. In addition to the existing Remote Recorded Video Inspection, two new remote **live** inspection options will now be available.

Licensed plumbing contractors will be able to complete select inspections remotely through live video conferencing with a certified County inspector. This enhanced approach reduces the need for on-site visits, increases scheduling flexibility, and maintains the County's high inspection standards.

Remote Recorded Video Inspection Program (Existing)

- 209 Water Heater Video Inspection.

This option allows contractors to submit a pre-recorded video for review by a county inspector. The recorded format offers flexibility for contractors who prefer to document the inspection at their convenience before submitting it for approval.

New Remote Live Video Inspection Options (Effective April 1, 2026)

- 203 Sewer Tap Inspection
- 205 Irrigation Final Inspection

Live video inspections are conducted in real time through Webex, allowing contractors to interact directly with a certified inspector. This format supports immediate feedback, on-the-spot verification, and a more collaborative inspection experience.

How to Participate

New Remote Live Video Inspections

1. Review the [Scheduling Quick Reference](#) document (PDF, 284KB), the process.
2. Ensure the on-site company representative has **Webex** installed on the device used for video call. no registration or formal training is required to participate.

Existing Remote Recorded Video Inspection Program

Visit the Collier [County Inspection Scheduling](#) page under [Remote Recorded Video Inspections](#) on how to sign up to participate.

For questions or additional support, please contact **LiveVideo@Collier.gov** or visit the inspections website [Remote Live Video Inspection](#) or reach out to the [Chief Building Inspectors](#) listed on the department's website.
