NOTICE OF PUBLIC HEARINGS & MEETINGS

2026-2030 HUD CONSOLIDATED PLAN AND 2026 ANNUAL ACTION PLAN

Citizen Participation Announcement

Collier County is developing its 2026-2030 HUD Consolidated Plan as required by the U.S. Department of Housing and Urban Development (HUD). As a grant recipient of federal funds through the U.S. Department of Housing and Urban Development (HUD), Collier County will receive annual allocations of Community Development Block Grant (CDBG), HOME Investment Partnerships Program (HOME), and Emergency Solutions Grants (ESG) funds and has the opportunity to support housing and community revitalization efforts, promote economic development and investments in underserved neighborhoods, and provide essential services benefitting low-income and vulnerable populations.

The County expects to receive an estimated \$13,386,270 in CDBG funds, \$3,795,390 of HOME funds, and \$1,070,370 of ESG funds during Program Years 2026-2030. Estimated funding amounts are based on FY 26/27 HUD funding levels. Funding amounts are subject to an approved federal budget and are subject to change. Opportunities and projects will be affected by the final funding available to the County. Funds have not been approved or committed by HUD.

To receive grant funds, the County must develop a Consolidated Plan which assesses housing, homeless, and economic conditions impacting the community. The Consolidated Plan provides a strategy for addressing needs and outlines a proposed budget for the County's use of HUD funds towards eligible activities.

The County will host a series of public hearings/meetings to solicit input on priority community needs and involve residents and stakeholders in the preparation of the 2026-2030 HUD Consolidated Plan and Program Year 2026 Annual Action Plan. Residents, housing and homeless partners, non-profit service providers, and other stakeholders are encouraged to attend public hearings/meetings to identify community assets and priority needs and to help inform the best use of HUD funds for community change. Public hearings/meetings are open to all residents, and the County encourages participation by residents of economically disadvantaged neighborhoods, minoritized populations, non-English speaking persons, and individuals with disabilities.

Collier County will consider any comments or views of citizens received in writing or orally at the public hearing/meeting in preparing the 2026-2030 HUD Consolidated Plan.
