To release GIS data to an outside party, the Collier County Data Release Form must be approved by the Water/Wastewater Director.

Disclaimer:

Map features are a representation of compiled utility information and do not replace or modify land surveys, deeds, or other legal instruments defining land ownership and use. It is believed to be an accurate and true depiction for the stated purpose; but Collier County and its employees make no guarantees, implied or otherwise as to the accuracy of completeness. We therefore do not accept any responsibilities as to its use. This is not a survey nor is it to be used for design.

GIS Non Disclosure Agreement:

Project/Solicitation Please insert BID or RFP #

The Collier County Water/Sewer District regards GIS data related to the Water/Sewer System as sensitive and confidential data and distributes it on a need to know basis. Under such requirement, _____ agrees that all information communicated to them regarding this solicitation, effective _____, is intended exclusively for the firms selected. This information may be proprietary, privileged or confidential, or otherwise legally exempt from disclosure. _____ acknowledges that in order to submit a proposal and/or to provide the services called for in this contract, it shall be necessary for the County to disclose to the firm certain proprietary and confidential information. _____ further acknowledges that the resultant work product(s) may of necessity incorporate such proprietary information. _____ agrees that it shall not disclose, transfer, use, copy, or allow access to any such proprietary information to any employees or to any third parties, excepting those who have a need to know such proprietary information and who have bound themselves, in writing, to respect and protect the confidentiality of all such proprietary information. In no event shall _____ disclose any such proprietary information to any other company, entity or individual except as required by law.

By signing below in the space provided, a principal of the firm certifies that the firm will comply fully with the above requirements.
