

Airport Road Widening Project

60 Percent Design Plans Public Information Meeting

Thursday, March 27, 2025, from 5:00 p.m. to 6:30 p.m.

Collier County, in coordination with the Florida Department of Transportation (FDOT), District One, invites you to the Airport Road Widening Project 60 Percent Design Plans Public Information Meeting in Naples, Florida, on Thursday, March 27, 2025. The public meeting will be in an informal open house format. There will not be a formal presentation. All interested members of the public may attend at any time from 5:00 p.m. to 6:30 p.m. to review project displays and to talk one-on-one with the project team members about the project's 60 percent design plans and future construction to widen Airport Road from Vanderbilt Beach Road to Immokalee Road as well as provide an opportunity for the public to offer feedback on the project. Meeting materials will be posted by Thursday, March 27, 2025, at www.colliercountyfl.gov/transportationprojects.

Airport Road Widening Project Details

Collier County Transportation Management Services Department, in coordination with the Florida Department of Transportation (FDOT), District One, are providing the following information to notify project stakeholders, including adjacent property owners and the traveling public, about the Airport Road Widening Project from Vanderbilt Beach Road to Immokalee Road (Collier County Project No. 60190 / FDOT FPID No. 440441-1). The project will widen the Airport Road corridor from the existing four-lane dividend roadway to a six-lane divided roadway.

(MORE INFORMATION ON BACK)

The purpose of the project is to add capacity to the corridor and improve travel delay, emergency response times and safety along the corridor. This will be accomplished through engineering design and environmental permitting for the Airport Road Widening Project. The project includes designing a six-lane divided urban roadway with 11-foot travel lanes, 22-to-29-foot raised median, curb and gutter on both sides, a 10-foot wide sidewalk on the west side and six-foot wide sidewalk on the east side, a drainage system, street lighting and minor traffic signal improvements.

Airport Road Widening Project Schedule

Design for the roadway improvements is anticipated to be completed by the end of 2025; Environmental permit coordination and applications will be submitted to South Florida Water Management District (SFWMD) and U.S. Army Corps of Engineers (USACE). Once design is complete and all permits are obtained, construction will follow. The anticipated schedule and estimated cost for the Airport Road Widening Project improvements are shown below.

Milestone	2023	2024	2025	2026	2027	2028
Design						
Permitting						
Procurement				9 Months		
Construction					18 to 24 Months	

Estimated Project Budget & Funding:

Design & Permitting	\$2.1 M
Mitigation	\$0.0 M
Right-Of-Way	\$0.8 M
CEI Services	\$1.8 M
Construction	\$37.3 M
TOTAL	\$42.0 M

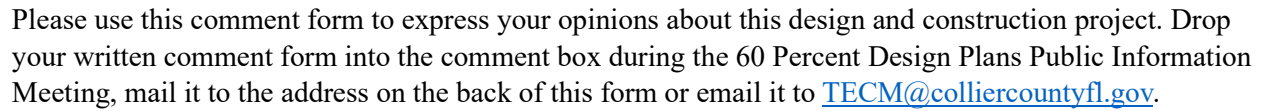

The cost of this project is being partially funded by the Collier County One-Cent Sales Surtax, Florida Department of Transportation (FDOT) County Incentive Grant Program (CIGP), road impact fees, and gas taxes.

Who to Contact for Additional Information or Submit a Comment Regarding the Project

- Email questions and/or comments to TECM@colliercountyfl.gov.
- Mail comments by Friday, April 11, 2025, to Collier County Transportation Engineering Division, Attention: Dennis McCoy, PE, 2885 South Horseshoe Drive, Naples, FL 34104

Collier County solicits public participation without regard to race, color, national origin, age, sex, religion, disability, or family status. Anyone who requires an auxiliary aid or service for effective communication, or other reasonable accommodations to participate in this proceeding, should contact Collier County Facilities Management Division Located at 3335 Tamiami Trail E., Suite 101, Naples, Florida 34112, or 239-252-8380 as soon as possible, but no later than 48 hours before the scheduled event. Such reasonable accommodations will be provided at no cost to the individual.
