RECYCLING IS MANDATORY FOR BUSINESSES

Per Collier County Ordinance 2009-56, recycling is mandatory for all business's and non-residential properties. Business owners are required to have a recycling program and inform their employees and tenants. Learn more at collier.gov/recycling or call (239) 252-2380.

DOES YOUR BUSINESS QUALIFY FOR HAZARDOUS WASTE DISPOSAL?

Businesses categorized as Very Small Quantity Generators (VSQG) of hazardous waste may qualify to bring their waste to the county's Hazardous Materials Collection Center. The county's contracted vendor accepts and disposes the waste if the VSQG produces: less than 220 pounds of hazardous waste per month or less than 2.2 pounds of acutely hazardous waste per month.
