

SPECIAL EVENT PERMIT (SEP)

LDC 5.04.01, 5.04.05, 10.02.06 F
Code of Laws section 118-131 – 118-155
Administrative Code Chapter 4 J.6

Events using or closing the County right-of-way require approval at a scheduled Public Hearing. Applications requiring a Public Hearing shall be made at least 120 days in advance of the event.

All fields must be filled out. **Incomplete submittals will not be accepted.**

Failure to provide a complete submittal will result in an incomplete application and will delay the approval process up to and including the possibility of not approving the event.

Sanitary Facilities or proof of consent by business if permanent restrooms are to be used. - Safe ingress and egress, including emergency access showing width, length and access points. - Site plan shall reflect emergency access location, fire lane access throughout grounds, all food truck/food tent/retail sales trucks and tent locations and separations. A standard service / inspection tag by a licensed contractor is required on hood suppression systems and fire extinguishers as per FL Statutes 633.071 and FL 69A-21. - Temporary signage, temporary structures, equipment, merchandise.	☒
Proof of existing garbage collection contract. Contact (239) 252-2380 to obtain.	☒
Temporary Event Recycling Plan Form	☒
Signed Affidavit/Acceptance of County Regulations by Property Owner/Manager (Page 7)	☒
Additional Requirements (as applicable):	
Letter from property owner or property manager granting permission to use subject property for the market event during the requested dates.	
Documentation of Non-Profit sponsor as a bona fide nonprofit organization. (IRS 990 or Certificate of Tax-Exempt status)	
Letter from Non-Profit Sponsor acknowledging the event is intended to benefit the community at large or a specific group of individuals.	
Crowd Manager Certification(s): 1 certificate for every 250 attendees OR hiring of CCSO off-duty deputies (Special Detail) or a trained off-duty firefighter satisfies this requirement. - Indoor events: Crowd Manager inside event - Outdoor events: Crowd Manager shall not be in static location (such as patrol car) but moving throughout the event, monitoring activities.	
Tent Installation Notification Form , if using tents or canopies.	
Fire Plan Review Permitting Questionnaire/Checklist for required plans, codes, systems, and documents. A life safety evaluation may be required in accordance with FFPC 1:10.14.3.	

Collier County

Correspondence from the Fire District having jurisdiction acknowledging the event.	
Correspondence of Emergency Medical Services to conduct EMS evaluation. (500+ attendees)	
Correspondence of coordination with Collier County Sheriff's Office. (1,000+ attendees)	
Correspondence of coordination with the regulatory State agency. (DBPR, FDACS, FDOH, FDOT, as applicable)	
Correspondence of Collier County Risk Management to conduct risk evaluation. (If event is to be located on County owned property, including County Parks)	
Correspondence of coordination with Parks and Recreation Division Director. (If event is to be located in a County Park)	
Drawing or picture of the banner with dimensions shown.	
Description of entertainment as well as scheduled time of performance(s). Indicate stage location as well as location of speakers and direction of sound. Amplification must end by 10:00 p.m. Applicants must comply with the Code of Ordinances, Article IV, Section 54-92. Provide Amplified Sound Permit Number or Acknowledgement of Noise Ordinance.	
Current Business Tax Receipt in the event of a temporary sale, when required by FS 205.	
Events featuring drones shall provide a copy of UAS license if the event includes the utilization of Unmanned Aircraft Systems (UAS) drones. If a commercial operator, provide a valid copy of the FAA Section 333 exemption. Provide evidence of liability insurance for bodily injury and/or property damage arising from operation of the drone. Limits shall be not less than \$1,000,000 each occurrence; \$2,000,000 aggregate. Collier County BOCC shall be named as insured.	
Events in the Right-of-Way Applications MUST be submitted 120 days ahead of event.	
Provide Right-of-Way permit application to include location of signs, barricades, and proposed traffic control plans. This is the responsibility of the applicant and is required in conjunction with coordination with the Sheriff Department and EMS.	
If any traffic will affect a State Roadway (State Road 41, State Road 84, State Road 29) a separate permit application must be filed with the Florida Department of Transportation (FDOT). Visit their website at: https://osp.fdot.gov/ .	
Events closing a state road will require BCC approval of the event and Maintenance of Traffic (MOT) and submittal of official minutes to FDOT for permit approval.	
Events that use the right-of-way of any arterial or collector roadway, or any event closing all or part of any County right-of-way between the hours of 7:00 AM through 9:00 AM or 3:30 PM through 6:30 PM will require HEX or BCC approval of the event. Provide a site plan including: Route map that shows the proposed route of the event, areas of assembly or dispersal, parking areas, location of temporary signs, maintenance of traffic signs (such as detour signs, barricades, or cones), stationing of any crowd managers, officers, or flag persons, temporary detours to be utilized by the public, and all temporary construction or structures (stages, booths, water and toilet facilities, etc.).	

Affidavit / Acceptance of County Regulations

I, _____ (print name), _____ property owner or _____ property manager of the subject property, permit _____ (business name) to use the property as described herein during the time period indicated and acknowledge the statements below by providing my initials and signature below:

Initial each statement:

_____ I understand that LDC section 5.04.05 F establishes the number of event days allowed at a _____ location and to my knowledge, am within the allowable number of event days on this property.

_____ The area occupied will not exceed more than 25% of the required parking area or the equivalent required off-site parking will be required. The minimum number of handicapped _____ parking spaces pursuant to LDC 4.05.07, shall remain available for use.

_____ No sales, advertising, or other activity related to the special event shall be in the public Right of Way, in accordance with Code of Laws Ordinances section 26-1, or successor sections.

_____ All temporary structures, equipment, merchandise, and parking of vehicles in conjunction with the special event shall be in a parking lot or open space, and at least 10 feet from the property line.

_____ All temporary structures, equipment, and merchandise shall be removed following the conclusion of the event.

_____ Applicants must comply with the Code of Ordinances, Chapter 54, Article VI, and acknowledge the Noise Ordinance.

_____ By acceptance of this permit, I agree to defend, hold harmless, and indemnify Collier County and/or its agents from any and all liability which may arise as a result of the issuance of this permit and agree to conform to applicable provisions of the Collier County Land Development Code or other applicable County Ordinances at all times through the duration of the event.

_____ Mechanical/amusement rides are subject to a Carnival Permit and may require approval from the Board of County Commissioners. This permit application is not valid for any music festival, dance festival, rock festival or similar musical activity at which music is provided within 2,500 feet of any property containing a residential use or of any residential zoning district and such activity will require an Amplified Sound Permit.
