DAS Advisory Committee Meeting Overview – May 20, 2026

- Volunteer hours rose to nearly 2,200, with new roles supporting the veterinary clinic and foster coordination.
 - Concerns were raised about persistent long wait times and dropped calls.
 - The director reported full staffing of customer service representatives, with training in progress to improve call handling.
 - plans to assign dedicated phone answering roles once fully staffed.
 - New email inboxes have been created to handle specific inquiries and reduce phone call volume.
-
- The Domestic Animal Services Advisory Committee convened with a quorum.
 - The meeting began with approval of the agenda and previous minutes, confirming that DAS staff will primarily set future agendas while members can submit items for consideration.
 - DAS leadership provided a quarterly budget update, clarifying administrative cost allocations and noting some outdated budget terminology to be corrected.
 - It was clarified that animal control functions are budgeted separately under code enforcement, not DAS.
 - Ongoing efforts to improve customer service, including fully staffing the front desk and implementing strategies to reduce phone wait times and call drops.
 - Committee members emphasized the need for enhanced public communication to direct callers appropriately and reduce call volume.
 - The committee discussed reinstating DAS participation in code enforcement task force meetings to improve community outreach and interdepartmental coordination.
 - DAS proposed adjusting weekend public hours by closing the customer service lobby at 5 PM instead of 6 PM, supported by adoption data and staffing considerations; the motion passed with one dissenting vote.
 - Plans for monthly evening adoption events were also shared.
 - Clarifications were made regarding Wednesday operations: the facility remains closed to the public for cleaning and training, but accepts animals by appointment or through animal control officers.
 - TNR numbers increased by approximately 169%, attributed to a new full-time veterinarian and enhanced community outreach.
 - DAS leadership presented detailed intake and outcome statistics, highlighting a 71% increase in animal intake from March to April, primarily due to kitten season
 - Committee members engaged in a detailed discussion comparing the county's animal control ordinances with those of Lee County and advocated for stronger local regulations and an animal abuse registry.
 - The current ordinance allows a three-day hold for identified animals, but DAS practices a five-day hold for all.
 - A motion to reduce the hold to four days failed; a subsequent motion to reduce to three days also tied.

- A compromise motion passed: five days for microchipped animals, three days for unchipped dogs, and 24 hours for unchipped cats, with marketing and a six-month data review.
 - DAS continues to coordinate with rescue partners to manage intake and increase live outcomes.
 - Data indicated that over 80% of animals were reclaimed within three days, with outliers mainly due to surgery wait times or owner compliance.
 - They acknowledged recent state legislation enhancing animal control enforcement and praised improvements in DAS staffing and animal care.
 - Recalled past code enforcement task force meetings that included DAS representation and suggested re-engagement
 - The director agreed to coordinate with the animal control supervisor to explore rejoining these outreach efforts
 - Proposed Changes to DAS Business Hours
 - Data showed only 8 adoptions after 5 PM on Saturdays and 12 on Sundays over several months, supporting earlier weekend closing.
 - The motion to close the public lobby at 5 PM on weekends passed unanimously, except for one vote opposing it, citing weekday access concerns.
 - Wednesdays are designated for deep cleaning and staff training, limiting public access.
 - Animals can still be brought in by appointment or by animal control officers on Wednesdays.
 - Members recognized that DAS staffing and operational improvements have led to better animal care and facility management.
-
- July 2026 – DAS Advisory Committee Meeting - Canceled
 - Next Meeting - Wednesday, August 19, 2026
